INSPORTPRO

Looking for the very best turf surface for your indoor arena or sports facility? Our new inSport PRO is powered by the ultra premium Tapeslide XP yarn and comes standard on a 5mm foam backing.

TURF CHARACTERISTICS

STEMGRASS TECHNOLOGY

- ▶ Superior quality in its performance among monofilament yarns in the industry.
- ▶ Good rebound resilience, abrasion resistance, minimized distortion and shrinkage and excellent performance
- ▶ High UV-stability.

The BEST indoor turf available

inSport and InSport PRO padded indoor turf incorporates advanced engineering for durability, performance and a natural appearance. These qualities combined with a 6 year warranty-make it the perfect choice for indoor sport and commercial applications.
