EZGOLF SERIES

Provides the ideal putting service using STEMGRASS technology. The ez-grass Golf Series offers a 30mm height for a better reaction to shots. ezGolf Fringe is resilient and durable. It is a mix of light and rich green in color and is a 72 ounce product that is perfect for backyard putting greens and public or private courses.

TURF CHARACTERISTICS

STEMGRASS Technology

- ▶ Superior quality in its performance among monofilament yarns in the industry.
- ▶ Good rebound resilience, abrasion resistance, minimized distortion and shrinkage and excellent performance
- ▶ High UV-stability.

ezGolf Series

ez-grass Golf Series are the great fit for golf clubs, parks, attraction areas, or individual golfers who loves to enjoy a personal golf course in their own backyard.
